

# SUCCESS WITH ABRASIVES

## Product Innovations = Pinnacle of Success

### **New Pinnacle Ceramic Resin Fiber Discs – Lockit**

We are pleased to announce the newest addition to our Quick Change Disc offering. Our new Pinnacle™ Ceramic Resin Fiber Discs (Color: Dark Green) excel in various ways. The mixture of Aluminum Oxide and Ceramic grain provides superior performance characteristics including a dramatically increased cut rate and extended disc life. To assist you and your customers in learning more about this new product, visit our e-catalog at

[www.standardabrasives.com](http://www.standardabrasives.com) and select Pinnacle™ Ceramic Resin Fiber Discs located under the "Quick Change Discs" section. For further recommendations and sampling contact your local

Standard Abrasives district sales manager, or call our Customer Service department at (800) 423-5444.

## Product Lit Update

### **Revised Quick Change Discs Brochure Available**

Our Quick Change Discs brochure has been updated with our new Pinnacle™ Ceramic Resin Fiber Disc. This brochure recommends the best disc for specific applications and is a great resource to learn about our complete selection of Quick Change Discs. To view/print or order this brochure, visit our website's "Literature" section and select "Quick Change Brochure" or contact our Customer Service department to order part #997061.

## We Hear You!

### **Customer Service Survey a Success**

Standard Abrasives is truly dedicated to keeping good service alive! A special thanks to all of you who participated in the survey, as the information you provided validated many of our strengths and offered a clear focus for improvement. We look forward to learning more from you on future surveys about Standard Abrasives. Again, our thanks!

Congratulations to our three big winners; they have received their iPod nanos.

*Changing the way industry works*
